WELCOME New Members!

The 2014 Medoc Trail Marathon in Hollister, North Carolina was #100 for **Michael Bailey** of Midlothian, Virginia. His 100 Marathon Club North America application mentions “my 86 ultras and 14 marathons actually equal 4,198 total miles, or the equivalent of just over 160 marathons...I reached 2,620 race miles, the amount 100 marathons would equal, back in 2011...here’s to the next 100!” Mike set his 3:07 marathon PR early this year at age 33.

The 2010 First Call to Spring Run Off Marathon (Bothell to Redmond, Washington) was the first for Sammamish, Washington’s **Deborah Evdemon**. Just over four years later, the 2014 Big Wild Life Runs Marathon in Anchorage, Alaska was Deb’s 100th. Her current total includes 73 marathons and 31 ultras. She set her 4:39:31 marathon PR at the 2014 Tacoma City Marathon.

Cade Remsburg of West Des Moines, Iowa ran the 2006 Portland (Oregon) Marathon for his first marathon, and notched #100 at the 2014 USAF Marathon in Dayton, Ohio. He has completed 99 marathons and one ultra. Cade’s marathon PR is 3:07:09 (set early this year at age 41) and he is the 49th individual to complete fifty sub-four hour marathons.

The addition of Mike, Deb, and Cade boosts the 100 Marathon Club North America membership grand total to 452.
